What is Flutter?

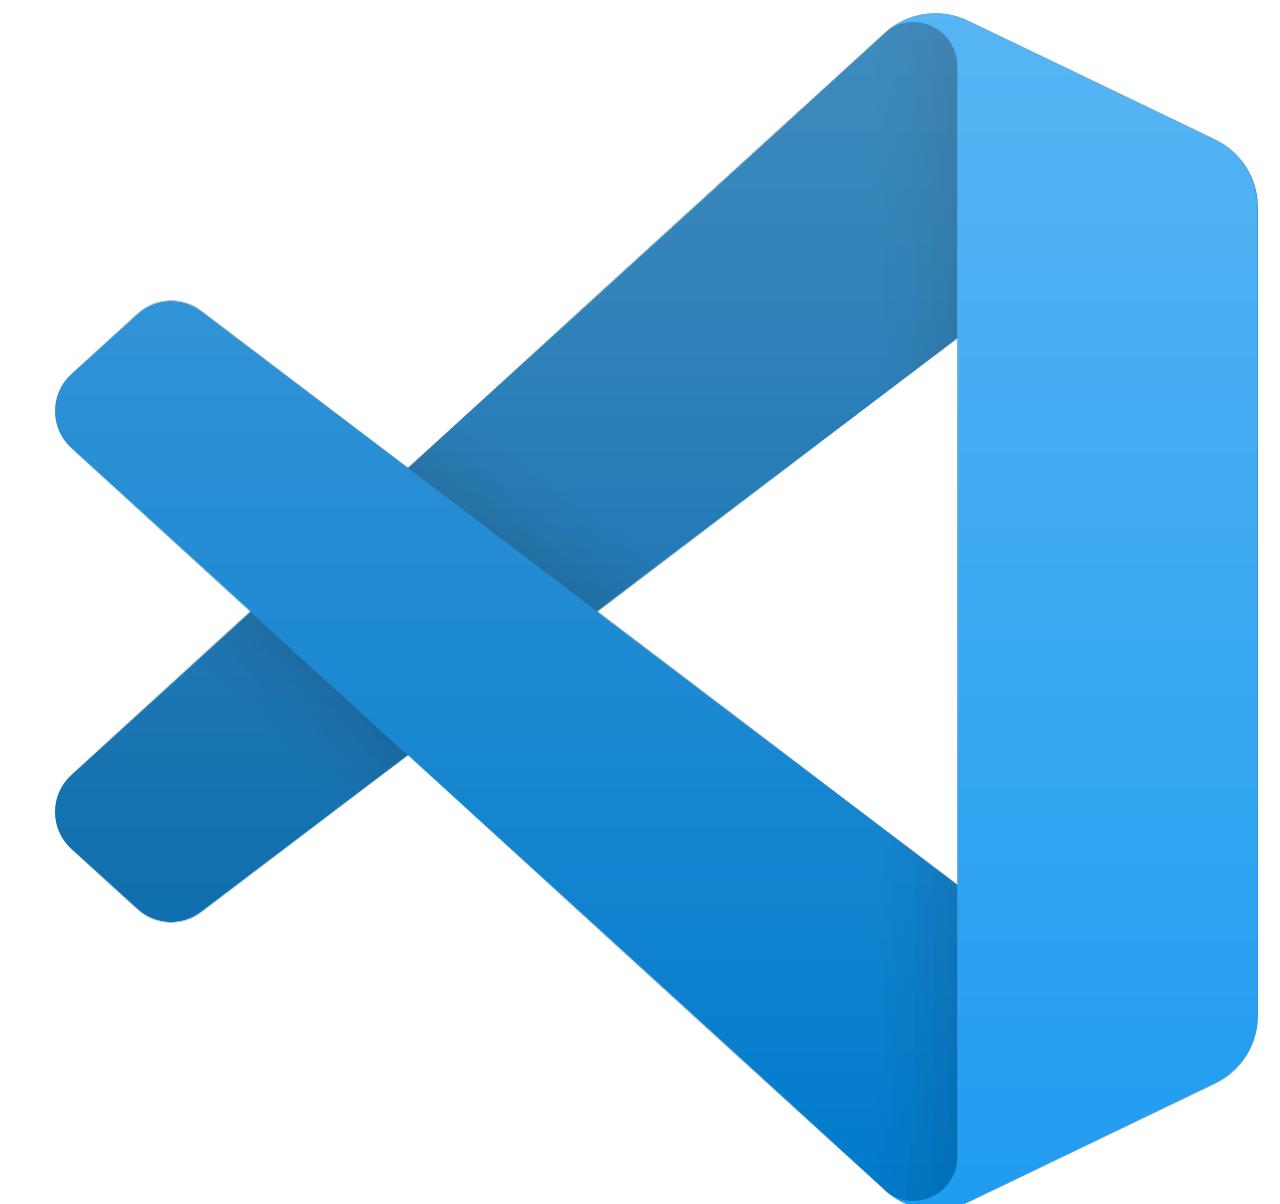

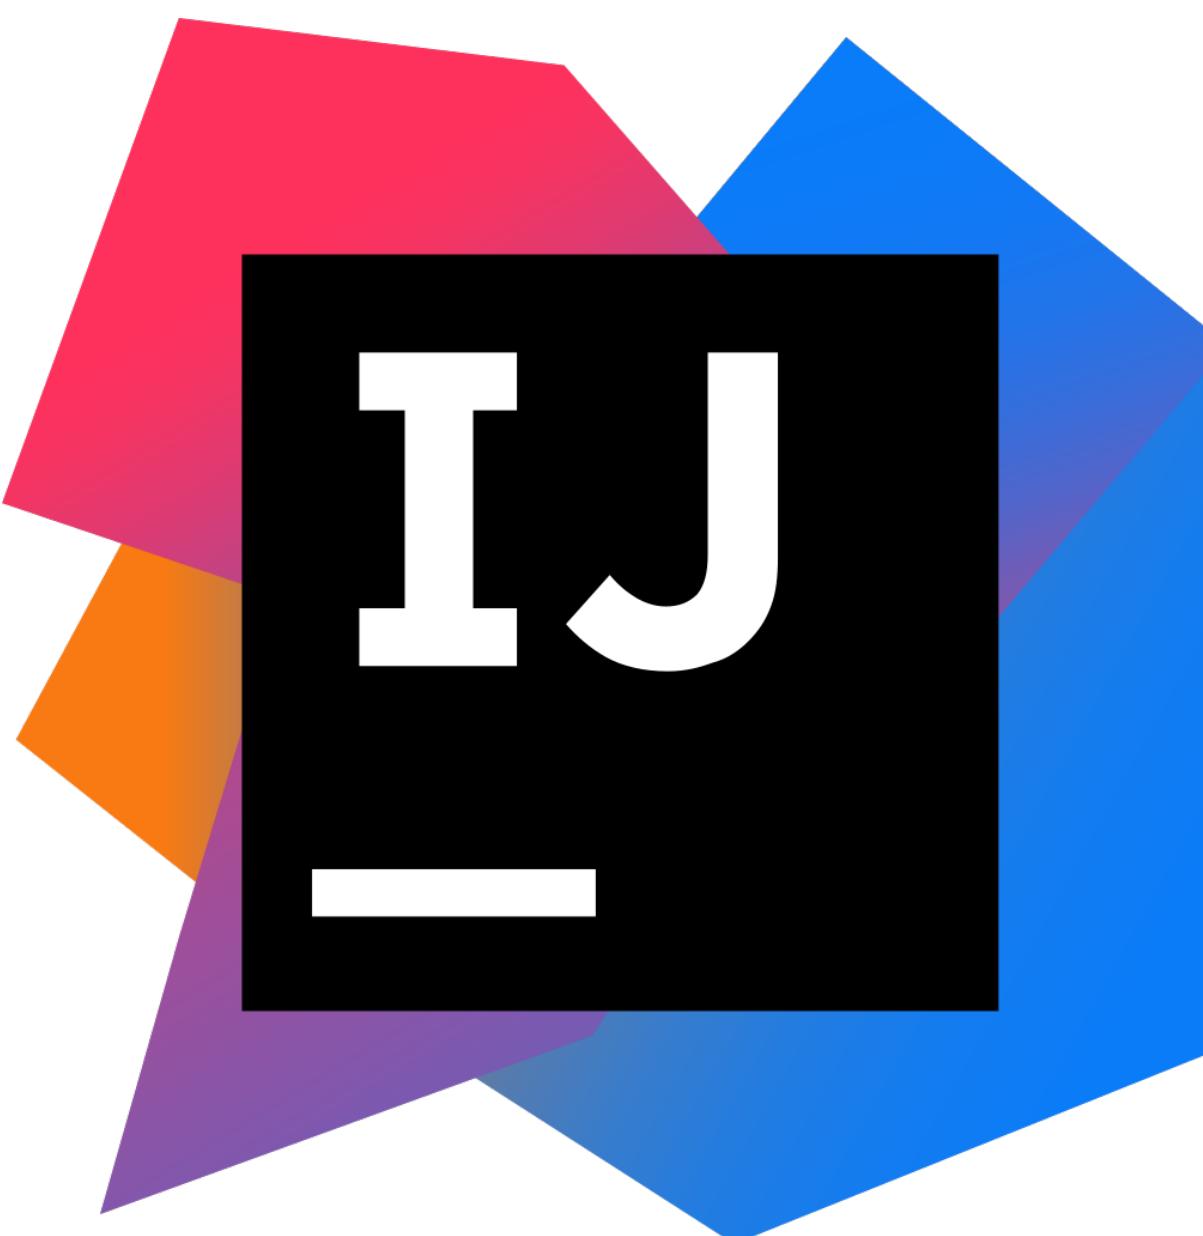

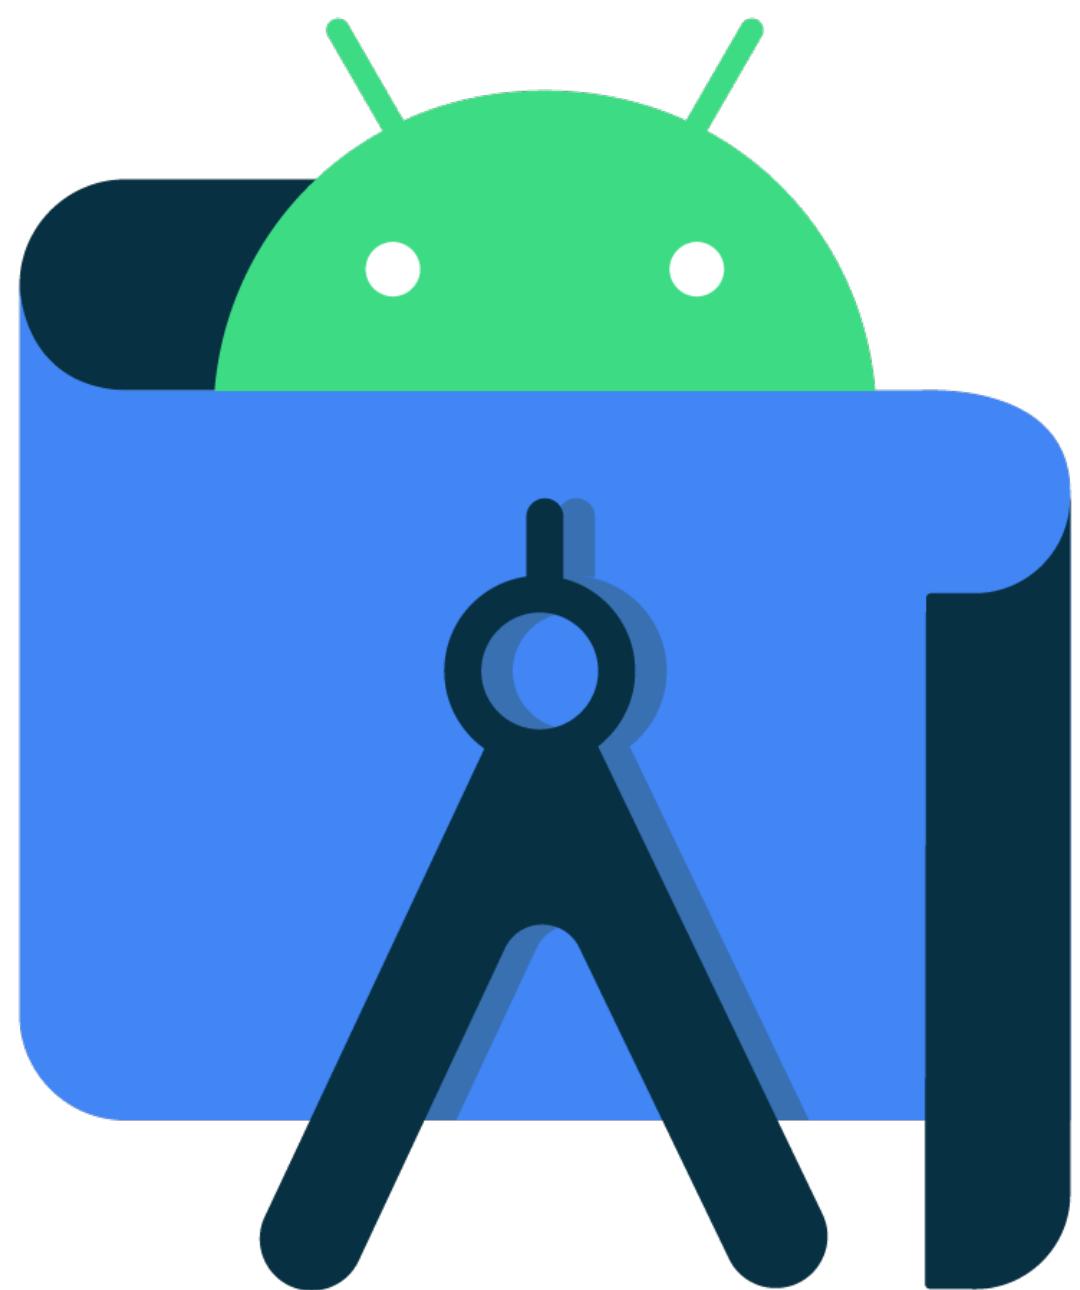

**Flutter is Google's UI toolkit for building beautiful,
natively compiled applications for mobile, web,
and desktop from a single codebase.**

Flutter ❤ Dart

IDE Support

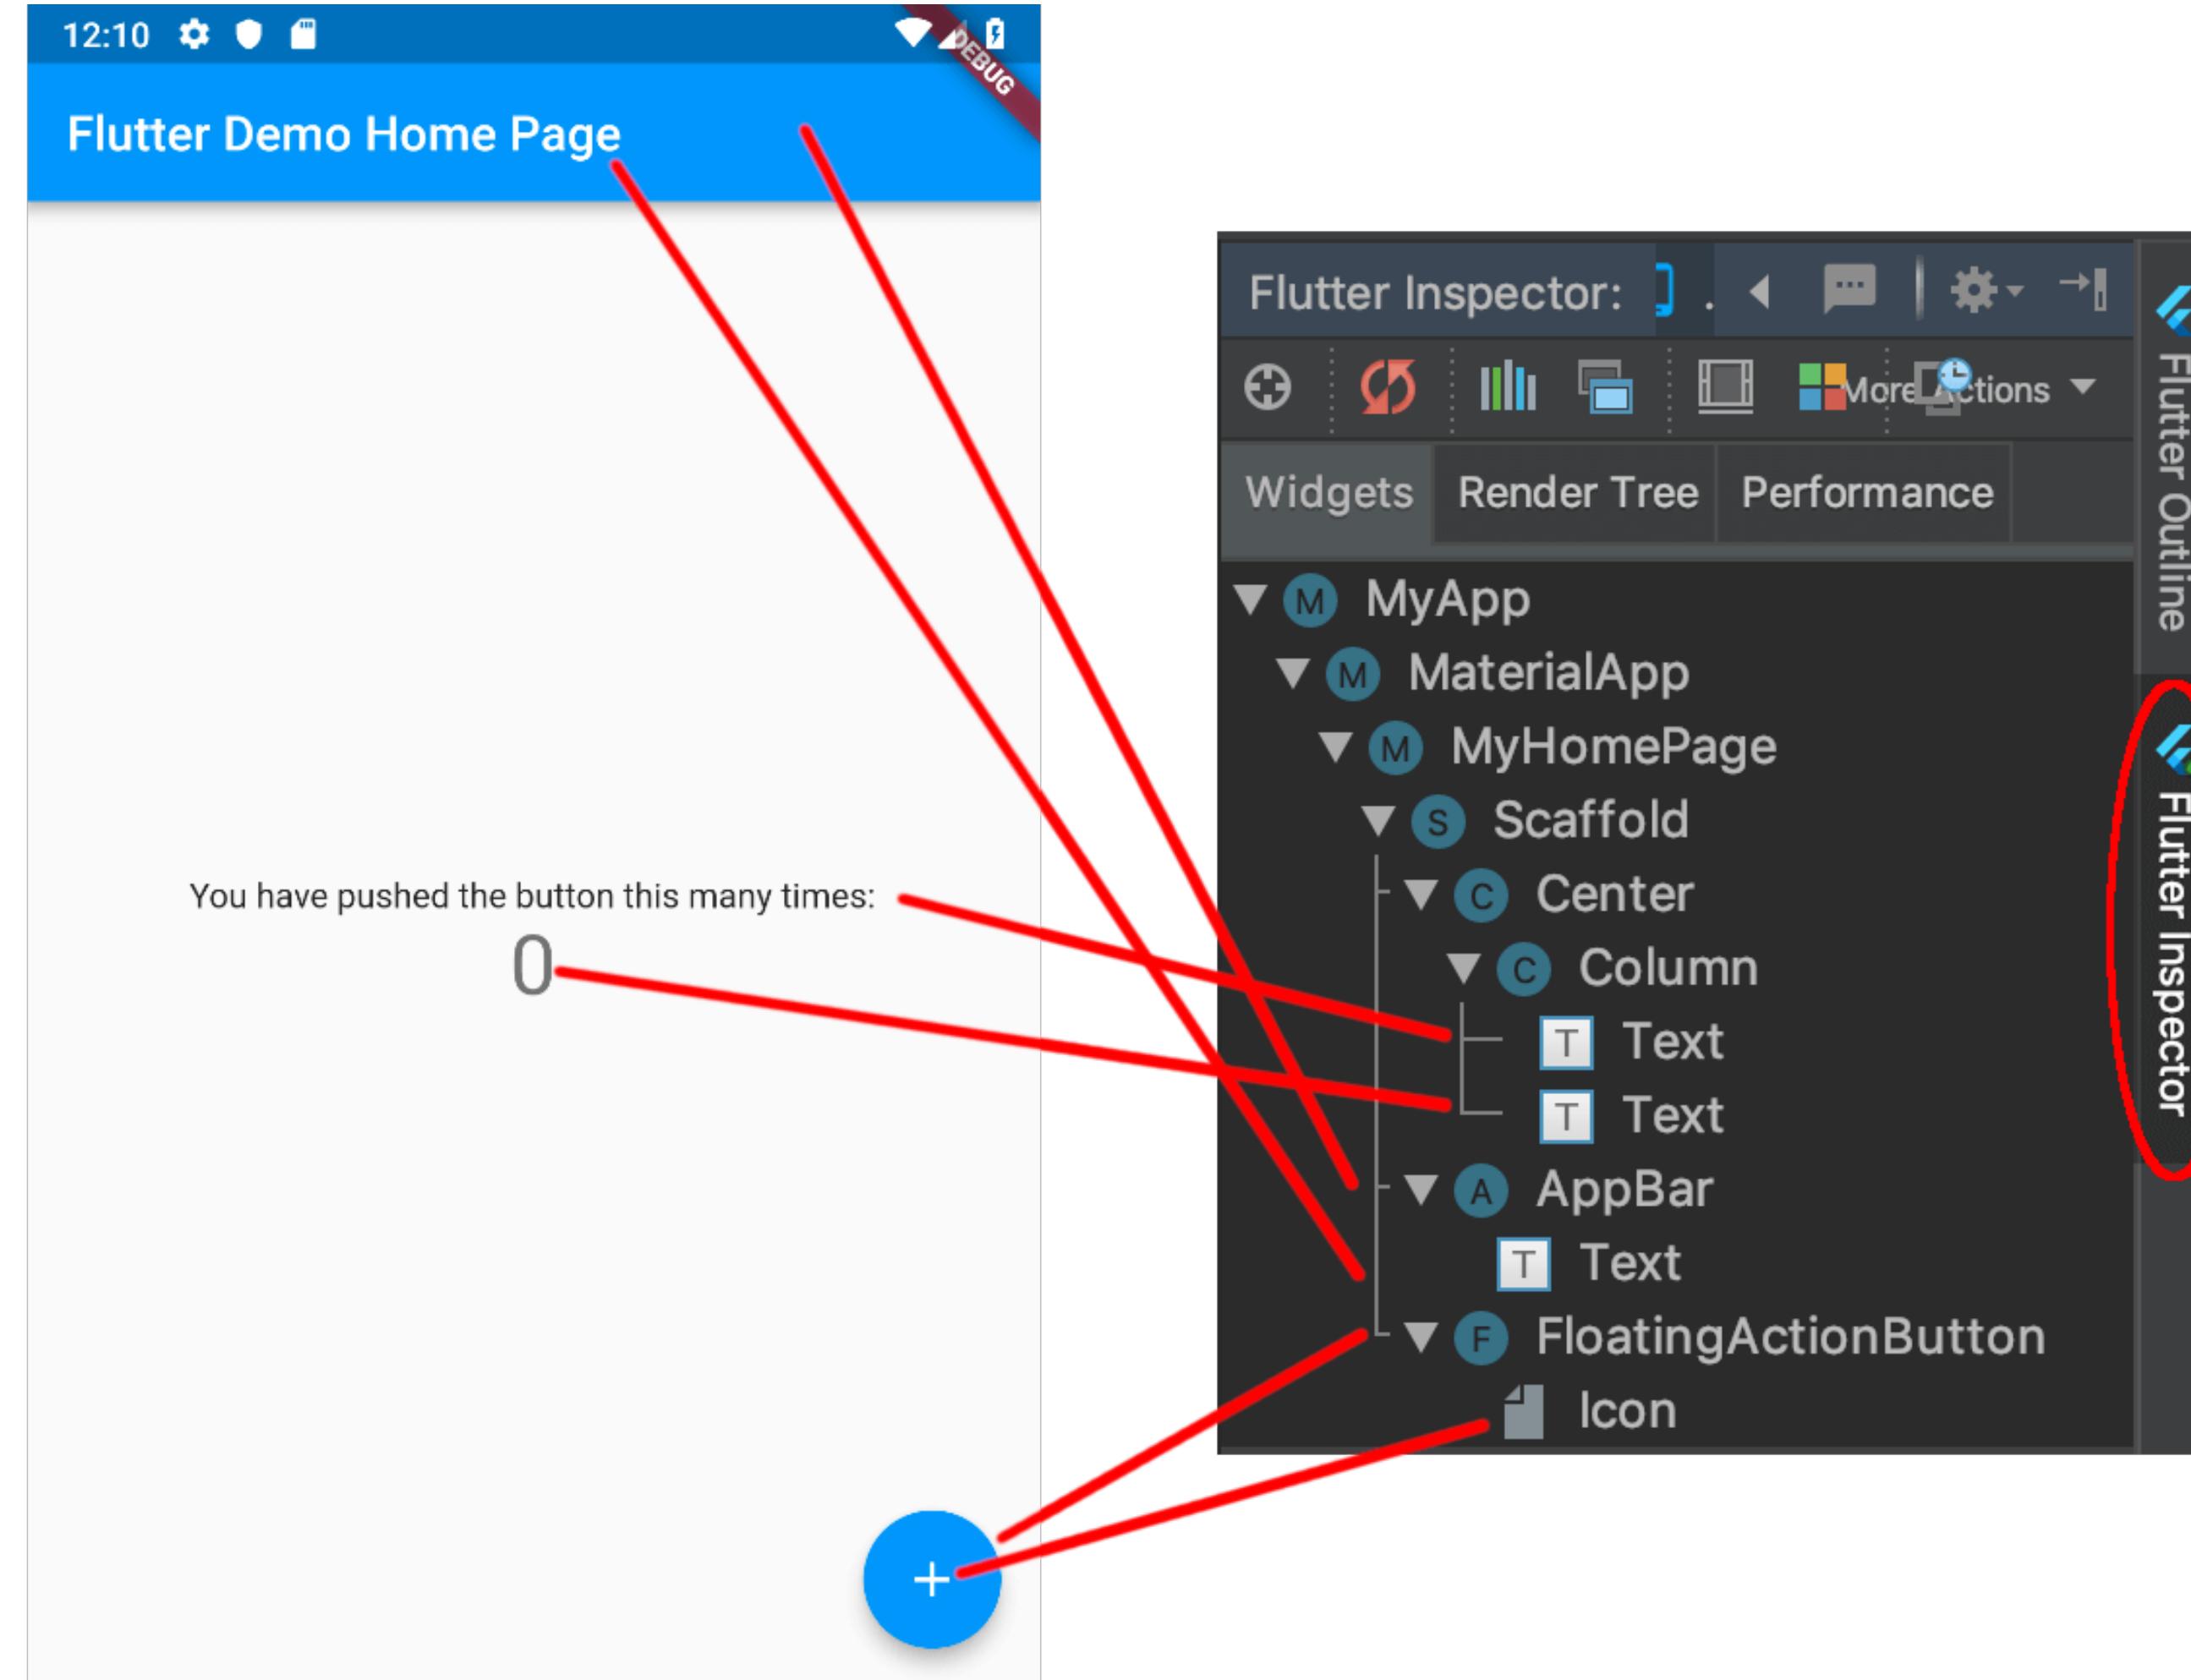

A photograph of a person sitting on a wooden dock extending into a calm lake. The person is seen from behind, looking out at the water. The lake is framed by towering, rugged mountains covered in dense green forests. The sky is clear and blue. The overall scene is serene and natural.

Widget, Widget, Widget!

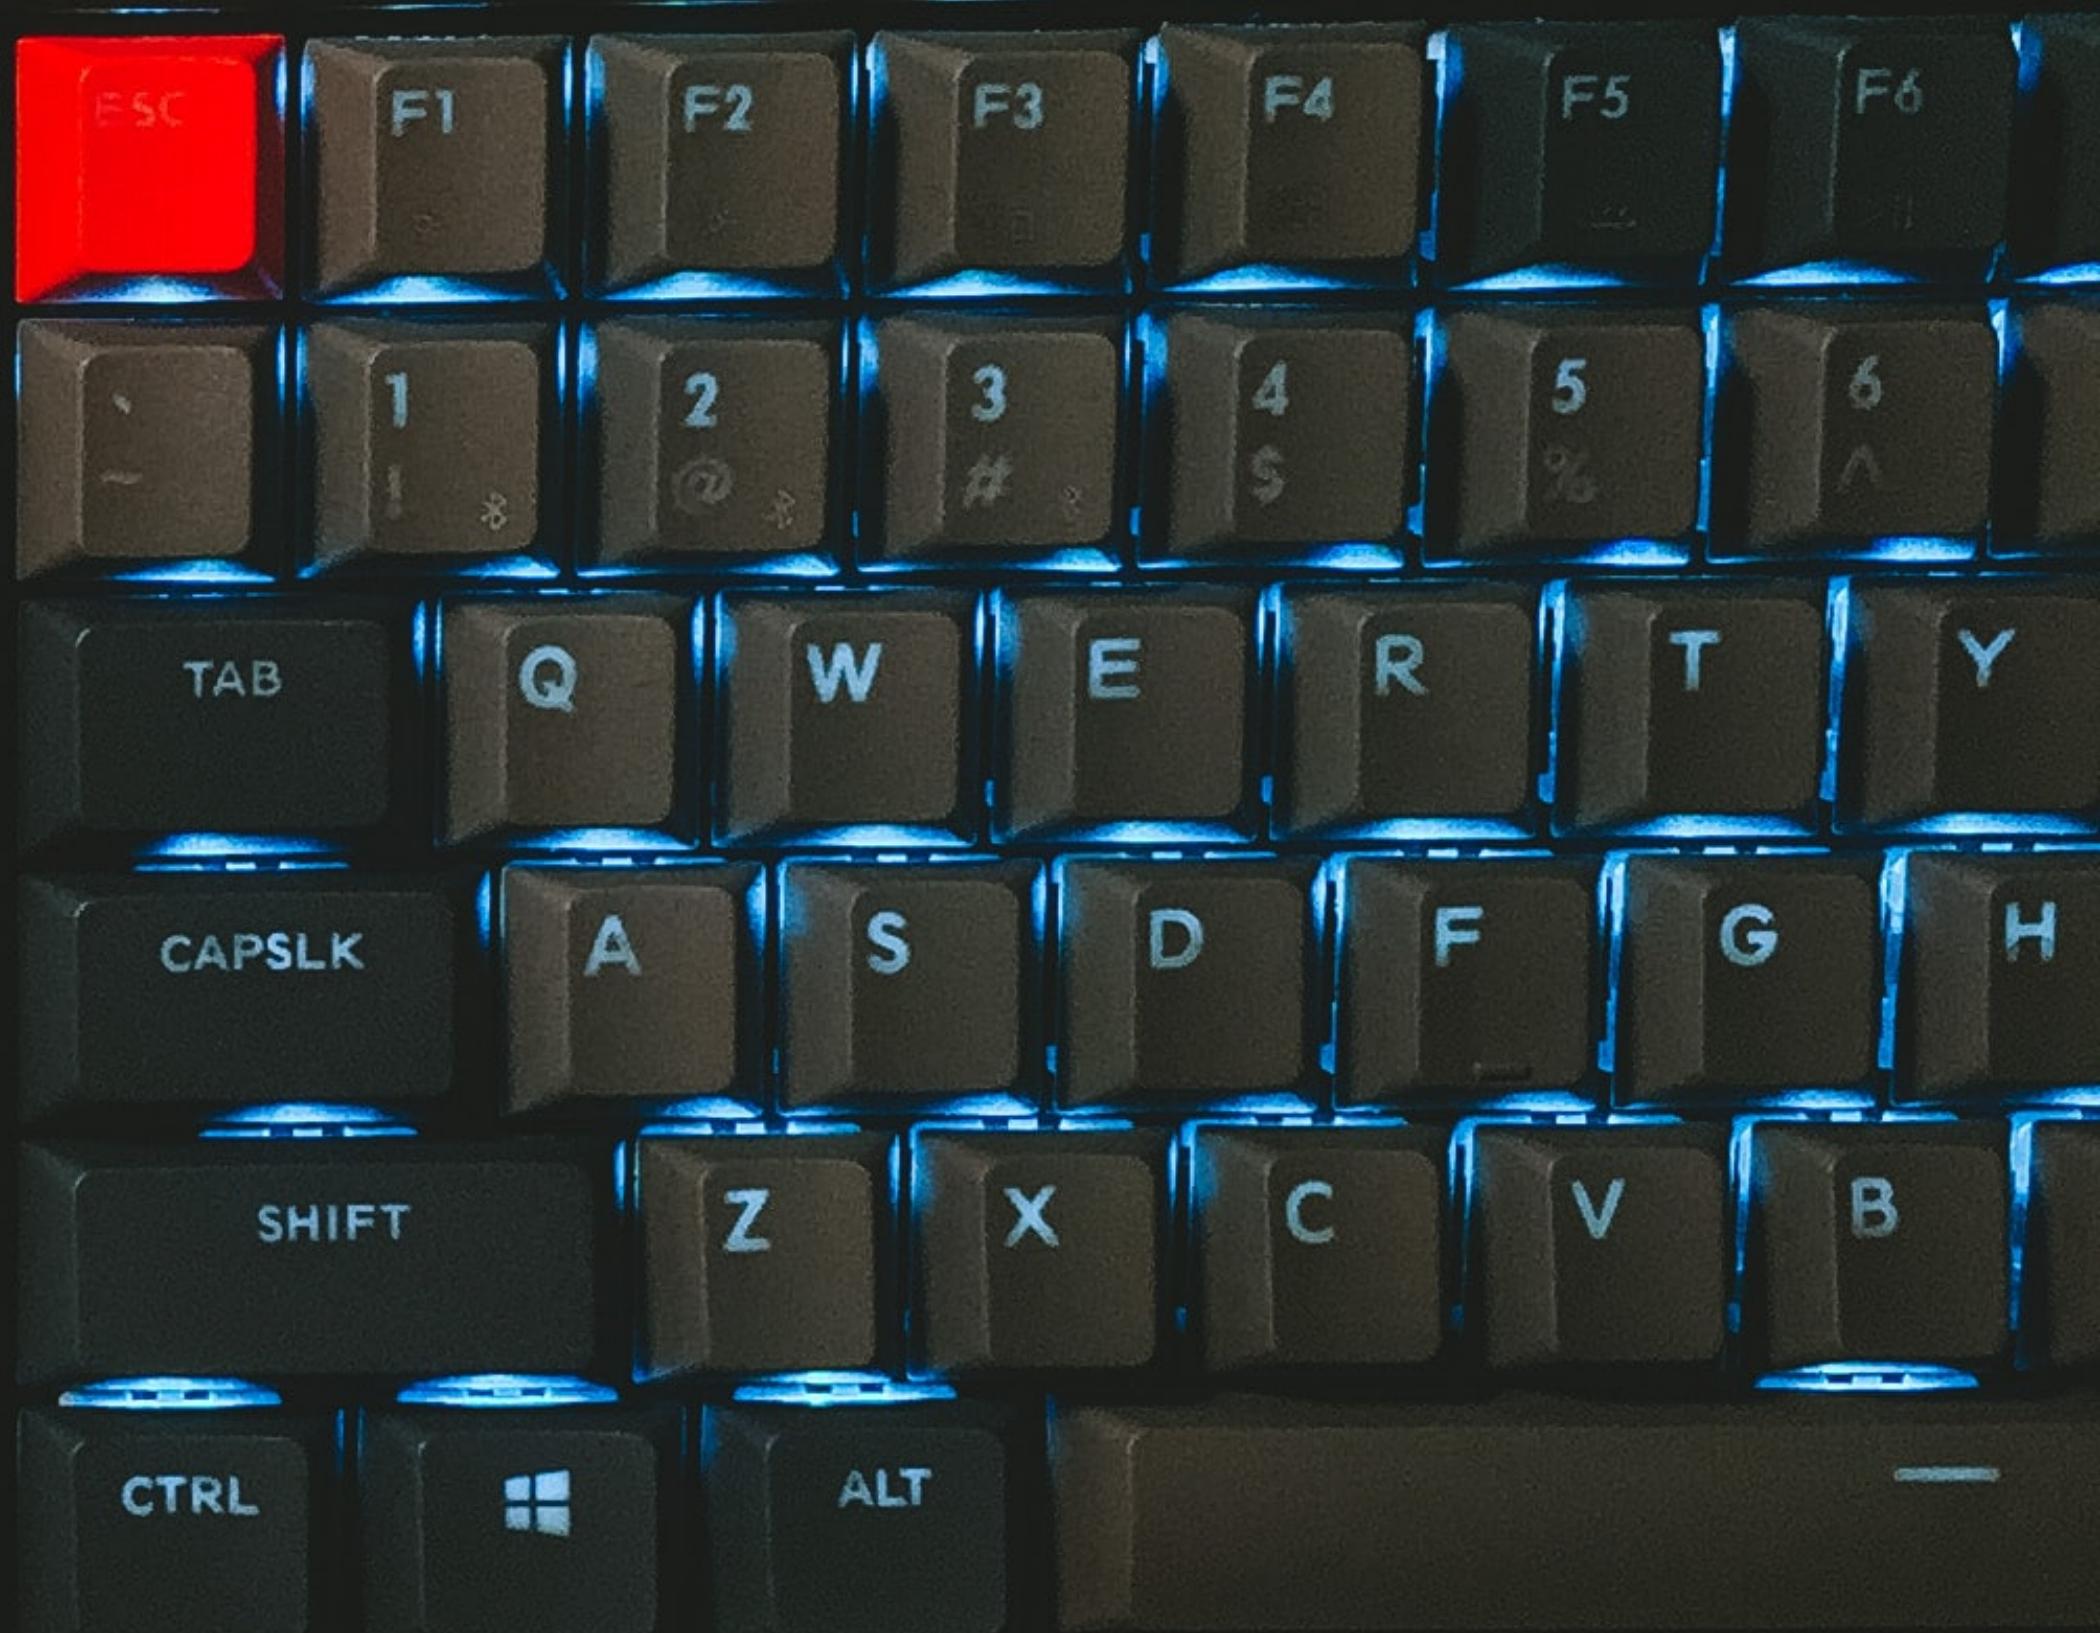

Everything is a widget

All is a widget
